**Officer of the
Quarter**

DETECTIVE
LARA SCARPATI

It's time to celebrate again....this time, we would like to congratulate and recognize Det. Scarpati for being selected as Officer of the Quarter!

Her supervisor nominated her for her diligence and attention, which she demonstrates in each case...but was highlighted in a recent case to which she was assigned. As a special victims investigator, Det. Scarpati began to investigate a complaint of inappropriate photographs being distributed on social media. During her investigation, it was determined that the suspect had also made threats in regard to school violence.

She immediately notified other detectives and local agencies, who may be involved, and began a threat assessment in the early morning hours. From her thorough investigation, she was able to establish probable cause for several charges, to include Written Threats to Kill, Child Pornography, and Cyber Stalking. Her dedication and work may very well have prevented an incident of violence as well.

Det. Scarpati's passion, diligence, and dedication to investigate crimes against persons is often observed by her co-workers and supervisors, so this is not a surprise to us. We just wanted to share it with you!

We would like to thank the city of Tarpon Springs for their support and encouragement especially to Mayor Chris Alahouzos for not only supporting Sofia in her mission but kicking off the bike-a-thon on February 12, 2022.

We also want to thank Karen Mayor who represented Gus Bilirakis' office for coming to support Sofia.

We are very appreciative to the Tarpon Springs Sponge Exchange and the Tarpon Springs Police Department for their help in making the bike-a-thon safe and successful.
